CREDITS

The 1980-81 East Central Junior College Basketball Program was produced by the basketball coaches and members of the basketball teams. Special thanks go to the area businesses for making the program possible through the purchasing of advertisements.

The program cover was designed by Mr. Jim Hansford.

Ovid Wickers, Barbara Deaton, and Rose Bradbury were of invaluable assistance in typing and proofing.

DR. CHARLES V. WRIGHT
PRESIDENT

PRESIDENT'S MESSAGE

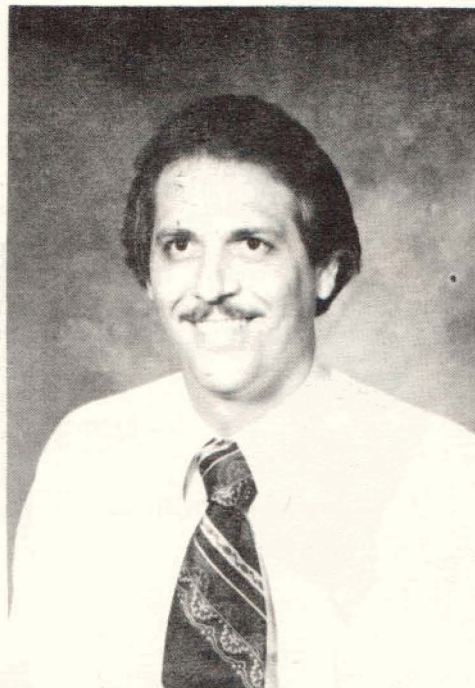

On behalf of the students, faculty and staff we **WELCOME** you to the athletic events of this 1980-81 school year.

The past years have brought many changes to our campus and we invite you to take time to visit and observe these changes.

I know that you join us in hoping for a victorious season for our teams. Relax, enjoy the games and your visit with us.

EAST CENTRAL JUNIOR COLLEGE

For more than half a century, East Central has operated as a Mississippi Public Junior College. Founded in 1928, the college offers students excellent Academic and Vocational-Technical training in the pleasant surroundings of a two-hundred-acre campus. Two teachers and twenty-five students comprised the first faculty and the student body. Today, the college includes over eight hundred students and fifty-seven faculty members who study and teach in twenty-two programs.

Dr. Charles V. Wright, the 5th president of the college, has held the position since 1965. By his untiring efforts and enthusiasm, Dr. Wright has acquired a faculty which includes outstanding teachers in all departments. Dr. Wright and the Board of Trustees are constantly working to upgrade the academic program and physical facilities of the college.

Students live, learn, and play in nineteen major buildings. The old gymnasium, which is now used for recreation and intramural basketball games, was one of the first brick gymnasiums constructed in East Mississippi. For more than twenty years the State B-BB Basketball Tournaments were held in this building. The new gymnasium was constructed in 1970 and contains facilities for teaching of health and physical education. Offices for the Physical Education Staff as well as dressing rooms and visiting quarters for the varsity athletic teams are located in this building. Other outstanding facilities on the campus include the Fine Arts Center, Cross Science Hall, and Burton Library.

East Central is accredited by four agencies. In 1939 the college became a member of the Southern Association of Colleges and Secondary Schools. It now holds membership in three additional associations: The American Association of Junior Colleges, The Mississippi College Association, The Mississippi Junior College Association.

The college has always been a vital part of the community and area by providing a meeting place for local and regional civic, business and professional organizations. Band clinics, basketball camps, and cheerleader camps are held on the campus, and the college library serves as a source center for the community. Members of the faculty are associated with and often appear before civic and professional organizations.

East Central takes pride in its athletes. Varsity sports have always been an important part of the college program, and teams have on several occasions participated in competition on regional and national levels. East Central's athletes are recruited and signed by senior institutions, and many are now coaches and teachers throughout the state and the South.

Since its inception, the college has made an effort to be more than just a cluster of buildings, a faculty, and a student body. The major thrust of the institution has always been to provide the maximum opportunity for the intellectual, physical, and emotional development of its students. At the same time, an effort is made to create within each student an awareness of his individual worth and his responsibility to the community, state, and nation.

"WHERE FRIENDS MADE LAST A LIFETIME"

Best Wishes
East Central Junior College
 in all your activities for the 1980-81 School year

"It is not the critic who counts, not the
 man who points out how the strong man
 stumbled,
 Or where the doer of deeds could have done
 them better.

The credit belongs to the man who is actually
 in the arena,
 Whose face is marred by dust and sweat and
 blood;

A man who knows the great enthusiasm and
 the great devotions,
 Who spends himself in a worthy cause,
 Who in the end knows the triumph of high
 achievement;

And if he fails at least fails while daring
 greatly,
 So that his place shall never be with those
 cold and timid souls

Meet the challenges of College life by being a partici-
 pant. Give of your best in academics, sports and all
 the many activities offered.

From a Former Student

What has Happened to the Warrioretts of '76?

The team of '76 was an unusual group. Each player on that team was an individual, and yet on the basketball court they were able to put aside personal ideas and ambitions and function as one body with one goal, to win the game and to do it with sportsmanship and pride. The 1976 team gave us something to cheer about, something to take pride in, and something to lift our school spirit. They were the kind of players the student body and faculty could point to with admiration as they played their way into newspaper headlines across the state on their way to capturing the 1976 State Junior College Championship.

Girl's basketball was only two years old under the new system established by the Junior College Association. Itawamba was the defending State Champions and had not lost a game in two seasons. East Central had been defeated five times by Itawamba in the past two years. The stage was set for the North Division Championship game at East Mississippi. East Central had earned the right to be there, having defeated East Mississippi and winning over Northeast in an overtime. The rest is history.

ECJC GIRLS TAKE NORTH

by Billy Turner
Star Sports Writer

SCOOPA — Two shots were heard round the state from the gym at East Mississippi Junior College here Tuesday night.

The first shot sent a hush through the crowd. The second shot sent hysteria rushing up the spines of all East Central Junior College followers as it gave the North Division Mississippi Junior College women's title to the warriorettes.

That one little moment will be long remembered as it gave ECJC an 81-80 win over defending state champion Itawamba in the North finals. Both teams enter the overall state playoffs starting Friday at East Central's campus in Decatur. East Central will face Co-Lin, a 69-63 loser to Southwest Tuesday night in the South final, with Southwest facing Itawamba.

The first shot came at the end of the half. Trailing 39-34 with a few seconds left, East Central rebounded a missed Itawamba try and started a fast break.

Evelyn Bender, a short Lucy Harris (like Pete Maravich is a short Kareem Abdul-Jabbar), took the outlet pass, strode two meager steps across the time line, and fired smartly towards the basket with but two seconds left on the clock.

As the buzzer sounded, the ball banked off the glass and shot through the hoop.

As cokes and popcorn sprinkled across laps in the stands, the exultation burned into astonishment on both East Central and Itawamba rooters.

The shot only made it a three-point deficit at the half, 39-36, but deep in the minds of the Itawamba girls, unbeaten in junior college competition in two years they have had a program, the shot had made it effect.

The second shot was the clincher. After proving this wasn't going to be any hayday for the Itawamba club, East Central took the game with a bucket by Donna Carter with 16 seconds left.

East Central had taken the lead in the second half with 16 minutes left in the final period on another goal by Carter. But the Warriorettes never led by more than five, and after Julie Latham fouled out at 3:45, the Squaws had finally rallied to lead 80-77 with 1:14 to go.

Philadelphia's Diana Lyons bucketed a shot with 1:05 left to bring ECJC to within 80-79 to set up the final basket.

Itawamba couldn't freeze the ball since the 30-second clock allows no such foolishness. Itawamba tried to use as much time as allowed, but turned the ball over.

East Central immediately moved to the attack. Bender scooped up the loose ball and began her fast break pattern. She filled the middle lane, with hopes for one of her jumpers to come from inside 20 feet.

Itawamba cut her off about 25 feet out, so she tossed the ball inside to Lyons. Lyons tried to get the shot off with 19 seconds left, but Itawamba's Nancy Murphree cut her off.

But...the Tigerettes didn't have proper defense on the right side. Noone had cut off the charging Carter, and Lyons, though slightly off balance at the free pitch line, got the ball to her.

Carter layed the ball up against the glass, and as the ticker showed 16, the ball dropped through. It might not have started a revolutionary war, but it had a few people hopping. It also took away a championship from Itawamba.

East Central shot only 37 percent from the field in the first half, but the last-gasp shot by Bender near the end seemed to awaken the Warriorettes, setting the stage for the later dramatics.

Excellent balance, and what East Central Coach Lucille Wood called "Determination to beat them," turned the game around.

Five players turned in double figure performances for ECJC with Bender getting 24, Lyons 20, Carter 14, Jeannette Barnes 12 and Latham 11. Murphree had 21, Lisa Hooker 19, Charlotte Jackson 14, and Jennie Loyd 12 for Itawamba, now 19-4.

If East Central (16-5) can get a few more shots to go with the ones it had Tuesday night, the overall state title might not be as hard to obtain.

ECJC STATE CHAMPS

by Billy Turner
Star Sports Writer

DECATUR — Super Game No. 1 was termed as upset when East Central Junior College women's team defeated Itawamba, the defending champion in the North Division tournament.

Saturday night, when East Central won the women's overall Mississippi Junior College title in Super Game No. 2, it couldn't be called an upset anymore. Things don't happen like that twice in a row.

East Central was crowned the Overall State champion by doing away with the Itawamba Lady Indians on the East Central court 86-77.

It took overcoming a case of nerves and foul trouble for the Warriorettes to do the job. They did though, outpointing Itawamba 19-10 in the last five minutes after the contest was tied one last time at 67.

Evelyn Bender, surely the most valuable player in the state, scored 10 points during that stretch when the game was still very much in doubt.

She had begun very slowly, because as she said, "I was just trying to get something started. I guess I was a little nervous in the first half."

With Bender getting only eight, on a 25-point-per game average the Warriorettes turned to the inside work of Diana Lyons. Lyons, from Philadelphia's Neshoba Central, got inside of the Itawamba man-to-man for 13 first half points.

That propelled East Central to a 43-41 lead at the half, after the Warriorettes had been up by as much as 10.

Lyons, who never played before her junior year in high school, picked up her fourth foul in the game with 12 minutes left, and her leaving the close game would have possibly doomed the East Central chances.

But Lucille Wood, the ECJC coach, merely switched her zone defense to put Lyons on the outside where she remained in the contest until its end.

Itawamba fought back from being down by five early in the final half to take the lead at 55-54. The Indians moved ahead by as many as five before East Central made its final move.

The Warriorettes took back the lead for the final time with 6:18 on a bucket by Noxapater's Donna Carter. In the final five minutes Bender got 10 points including six in the final minute, to ease the Warriorettes to the final margin.

Talking about Bender after the game, Wood said, "She wants to be modest. She's kind of nervous at the first, but once she gets scoring, she is alright."

Bender finished her career at East Central with 1,081 points in 42 games, but the sweetest points she ever scored were the final bucket at the buzzer.

That insured the title, the first East Central had won under the present junior college setup.

Bender had 26, Lyons 23, Jeannette Barnes 20 and Julie Latham 10 for ECJC Itawamba was led by Charlotte Jackson's 26 while Jeanie Loyd had 24 and Lisa Hooker 10.

Lucille Wood
Women's Coach

Since those days when she played basketball in Elementary School at Calvary in Winston County, Lucille Wood has been enthusiastic about basketball. Miss Wood graduated from Louisville High School and holds the AA Degree from East Central Junior College. After playing four years of basketball in high school, she was recruited by East Central Junior College and played two years of junior college ball before going on to the University of Southern Mississippi where she received the BA and MA Degrees with a major in Health, Physical Education, and Recreation.

Before assuming the duties of basketball coach at East Central, Miss Wood had coached tennis and basketball at Copiah Lincoln Junior College. During the years between 1955 and 1974, when intercollegiate junior college basketball for women was discontinued, Miss Wood taught Health and Physical Education at East Central along with coaching tennis, volleyball, and directing girls' intramurals, she found time to organize a club basketball team for girls. These club teams won state championships in 1970 and 1973. The 1973 team played in region III Tournament at West Georgia College.

In 1974 girls basketball was officially reinstated in Mississippi Junior Colleges, and since that time her teams have won three division championships and state championships in 1976 and 1979. She has also taken East Central team to four regional tournaments.

Miss Wood has been active in many organizations. She has served as President of the Mississippi Junior College Women Coaches' Association, the ECJC Alumni Association, and was chosen East Central's Alumnus of the Year in 1965. She is also an active member of Delta Kappa Gamma.

In 1977 she served as a coach for the first Junior College All Star Team and was voted one of the top twenty junior college coaches in the nation. In 1979 she was voted the Miss. Association of Coaches Junior College Women's Coach of the Year.

Miss Wood serves on the Selection Committee for the Third Annual Stayfree National Coach of the year committee. She is listed in the 1980 Marquis Publications Who's Who in the South and Southwest.

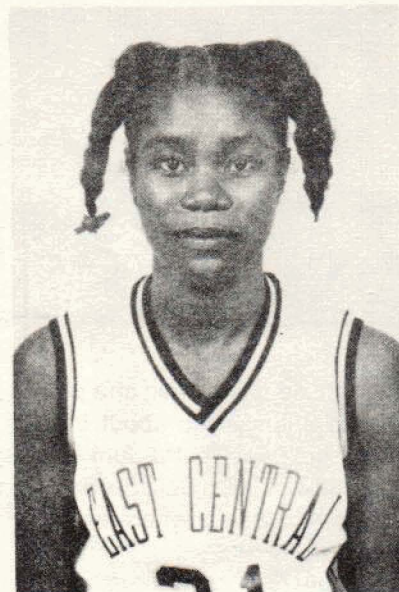

Since 1970, Miss Wood's teams have achieved a 137-64 record against other Junior College Teams and her girls, after graduating from East Central, have been signed by the University of Southern Mississippi, Jackson State University, Mississippi College, Livingston State University, and the New York Stars. Miss Wood is the Dean of Mississippi Junior College women's basketball coaches for she has been coaching the sport longer than any other active coach in the junior college circuit.

3rd Row L to R: Herman Robinson, Coach, Michael Harvey, Roy Myers, Aubry Cox

Herman Robinson
Men's Coach

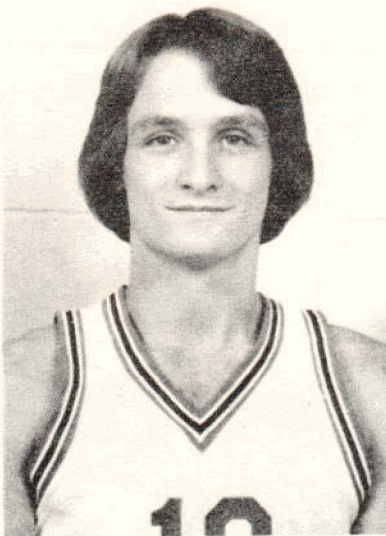

In his first two years of coaching, Herman Robinson established a record 105-5, and he has been adding to that record ever since. Coach Robinson is a native of Chunky, Mississippi. He graduated from Hickory High School where he was a member of one of Hickory's most outstanding basketball teams.

In 1949 he was awarded a basketball scholarship by East Central Junior College and played at East Central until his education was interrupted by the Korean Conflict. After completing his military duty with the Army, Coach Robinson returned to East Central to continue his education and become a member of one of the most successful basketball teams that the college has ever produced. This team won the State Championship, the District VII Championship, and placed fourth in the National Junior College Basketball Tournament at Hutchinson, Kansas.

After graduating from East Central, Coach Robinson entered Mississippi College. He holds the BS Degree from Mississippi College and the Masters Degree from William Carey College.

For twenty-two years, Coach Robinson taught and coached in the high schools of Mississippi and Florida before becoming boys' basketball Coach at East Central five seasons ago.

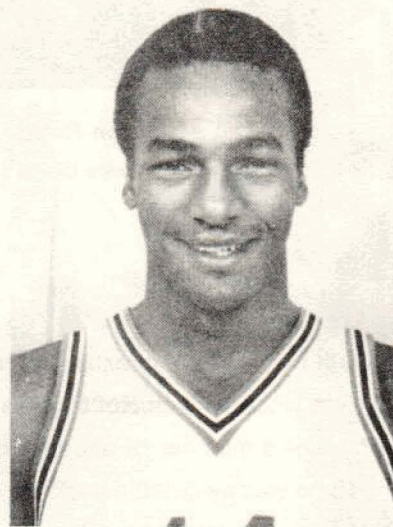

Coach Robinson is married to the former Mary Wilson of Meridian and is the father of a daughter, Karen, who is a freshman at Decatur High School and a son, Keith, who coaches basketball at Runnelstown High School.

EAST CENTRAL JUNIOR COLLEGE

For more than half a century, East Central has operated as a Mississippi Public Junior College. Founded in 1928, the college offers students excellent Academic and Vocational-Technical training in the pleasant surroundings of a two-hundred-acre campus. Two teachers and twenty-five students comprised the first faculty and the student body. Today, the college includes over eight hundred students and fifty-seven faculty members who study and teach in twenty-two programs.

Dr. Charles V. Wright, the 5th president of the college, has held the position since 1965. By his untiring efforts and enthusiasm, Dr. Wright has acquired a faculty which includes outstanding teachers in all departments. Dr. Wright and the Board of Trustees are constantly working to upgrade the academic program and physical facilities of the college.

Students live, learn, and play in nineteen major buildings. The old gymnasium, which is now used for recreation and intramural basketball games, was one of the first brick gymnasiums constructed in East Mississippi. For more than twenty years the State B-BB Basketball Tournaments were held in this building. The new gymnasium was constructed in 1970 and contains facilities for teaching of health and physical education. Offices for the Physical Education Staff as well as dressing rooms and visiting quarters for the varsity athletic teams are located in this building. Other outstanding facilities on the campus include the Fine Arts Center, Cross Science Hall, and Burton Library.

East Central is accredited by four agencies. In 1939 the college became a member of the Southern Association of Colleges and Secondary Schools. It now holds membership in three additional associations: The American Association of Junior Colleges, The Mississippi College Association, The Mississippi Junior College Association.

The college has always been a vital part of the community and area by providing a meeting place for local and regional civic, business and professional organizations. Band clinics, basketball camps, and cheerleader camps are held on the campus, and the college library serves as a source center for the community. Members of the faculty are associated with and often appear before civic and professional organizations.

East Central takes pride in its athletes. Varsity sports have always been an important part of the college program, and teams have on several occasions participated in competition on regional and national levels. East Central's athletes are recruited and signed by senior institutions, and many are now coaches and teachers throughout the state and the South.

Since its inception, the college has made an effort to be more than just a cluster of buildings, a faculty, and a student body. The major thrust of the institution has always been to provide the maximum opportunity for the intellectual, physical, and emotional development of its students. At the same time, an effort is made to create within each student an awareness of his individual worth and his responsibility to the community, state, and nation.

WOMEN'S BASKETBALL TEAM

1st row: Stephanie Townsend, Kim Murphy, Jo Bloodsaw, Pam Coleman

2nd row: Ethel Tumbling, Angie Ryals, Sue Ellen Nowell, Paula Rogers, Annette Jones

3rd row: Sandra Edwards, Mattie Burnside, Augusta Hardney, Jamie Turner, Dorothy Jackson, Lucille Wood (Coach)

4th row: Jo Ann Earnest, Sheila Welch, Elaine Fulton, Earlene Moore, James Wood.

Lucille Wood
Women's Basketball

Miss Wood is a native of Winston County and a graduate of Louisville High School. She holds the AA Degree from East Central Junior College, B. S. degree and M. A. Degree from the University of Southern Mississippi.

Before assuming duties of basketball coach at East Central, Miss Wood has coached tennis and basketball at Copiah Lincoln Junior College. During the years between 1955 and 1974, when intercollegiate junior college basketball for women was discontinued, Miss Wood taught Health and Physical Education at East Central along with coaching tennis, volleyball, and directing girls' intramurals, she found time to organize a club basketball team for girls. These club teams won state championships in 1970 and 1973. The 1973 team played in region III tournament at West Georgia College.

In 1974 girls basketball was officially reinstated in Mississippi Junior Colleges, and since that time her teams have won three division championships in 1976 and 1979. She has also taken East Central teams to four regional tournaments.

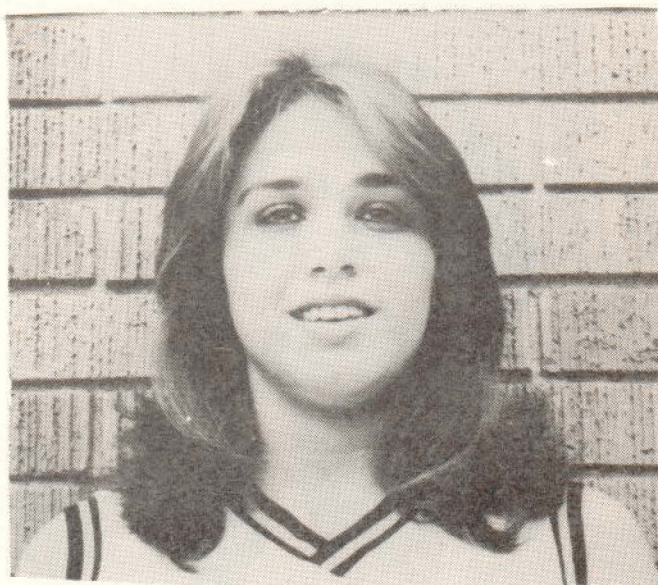

Miss Wood has been active in many organizations. She has served as President of the Mississippi Junior College Women Coaches' Association, the ECJC Alumni Association and was chosen East Central's Alumnus of the Year in 1965. She is also an active member of Delta Kappa Gamma.

In 1977 she served as a coach for the first Junior College All Star Team and was voted one of the top twenty junior college coaches in the nation. In 1979 she was voted the Miss. Association of Coaches Junior College Women's Coach of the Year. She was one of the All-Star coaches in 1981.

Miss Wood serves on the Selection Committee for the Third Annual Stayfree National Coach of the year committee. She is listed in the 1980 Marquis Publications Who's Who in the South and Southwest.

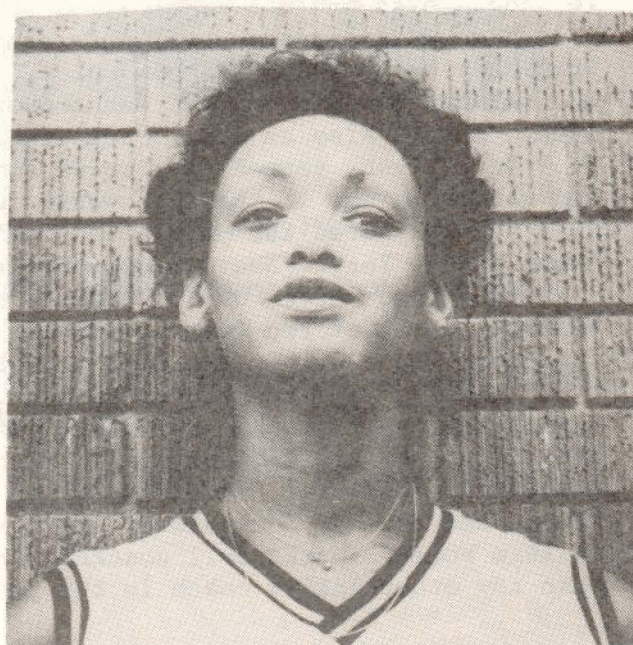

Since 1970, Miss Wood's teams have achieved a 137-64 record against other Junior College teams and her girls, after graduating from East Central, have been signed by the University of Southern Mississippi, Jackson State University, Mississippi College, Livingston State University, Mississippi University for Women, and the New York Stars. Miss Wood is the Dean of Mississippi Junior College Women's basketball coaches for she has been coaching the sport longer than any other active coach in the junior college circuit.

Herman Robinson
Men's Basketball

Coach Robinson is a native of Newton County and a graduate of Hickory High School, East Central Junior College, Mississippi College and received his Master's Degree from William Carey College.

Coach Robinson is a veteran in the coaching field, having coached in Florida and Mississippi. Beginning his sixth year as coach of the warriors, Coach Robinson would like to extend a special invitation to everyone to come and support the warriors, and hope you enjoy yourself.

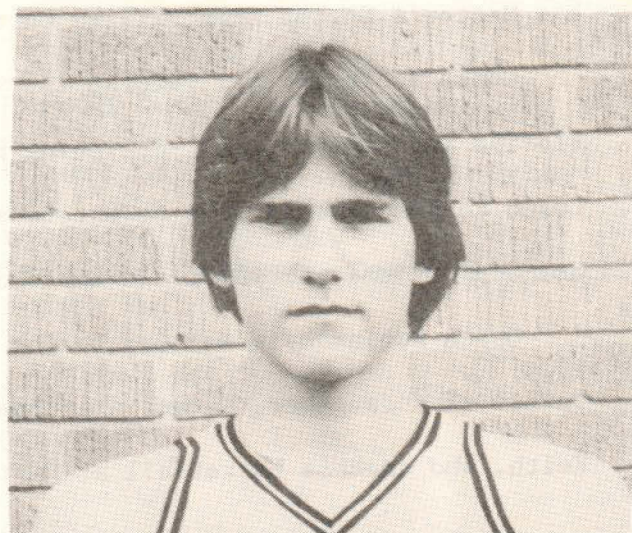

Coach Robinson is married to the former Mary Wilson of Meridian and is the father of a daughter, Karen, a sophomore at Decatur High School, and a son Keith, who coaches basketball at Northeast Jones High School.

East Central Junior College

in all your activities for the 1981-82 School year

The alumni of East Central Junior College realize that East Central has played a major role in opening the door to challenging futures for thousands of students. The strong academic, vocational, and technical programs and the athletic, social, and religious aspects of the college have provided a frameowrk on which many successful professional and personal lives have been built. The words of the college alma mater best express the appreciation which the alumni feel for East Central Junior College.

Dear Alma Mater, We sing thy praise,
in sweet remembrance of our college days,
Comrades and teachers, friends so true,
We give our love to you -

Long may we cherish the days spent with thee,
Happy Days of dreams, work, and play
so carefree -
Deep in our hearts rests your memories true -
We give our love to you.

PRESIDENT'S MESSAGE

It is my happy privilege to welcome you to the football games of this 1982-83 session and at the same time welcome you to the campus of East Central Junior College.

Having served for more than 50 years in central Mississippi, East Central Junior College is comprised of Leake, Neshoba, Newton, Scott and Winston Counties; and is constantly striving to serve the students of this area in both academic and vocational -technical training.

We know that your presence with us will help to boost our team to a victorious season. Now we ask that you relax, enjoy the ballgame and your visit to East Central Junior College.

FIVE LOCATIONS TO SERVE YOU

TRADE UP TO SNAPPER DEPENDABILITY!

Before you buy a mower, tiller or tractor, compare the quality and performance features of a SNAPPER. You'll find a SNAPPER is worth more because it does more and its price is competitive with other quality mowers, tillers and tractors.

SNAPPER tractors with hydrostatic transmissions have a single pedal that controls both your speed and direction. Great for maneuvering on the lawn or in the garden. Shown with optional cutting unit. 42", 48" and 54" units available.

SNAPPER tillers can be converted to walking tractors so you can also plow or cultivate.

19" and 21" SNAPPER walk mowers are superior because they can be converted to mulching mowers and leaf shredders.

All SNAPPER riders have on-the-go shifting without clutching. Plus a cutting unit which raises to prevent scalping. 6 or 30 bushel catchers available.

EAST CENTRAL JUNIOR COLLEGE
ESTABLISHED 1928
DECATUR, MISS. 39327

OFFICE OF THE PRESIDENT

WELCOME TO EAST CENTRAL JUNIOR COLLEGE

The thrills and excitement of basketball gives our friends and alumni an opportunity to visit the campus and enjoy seeing junior college sports in action. Competition is strong and our athletes have spent many hours in preparation. We join them in appreciating your presence and support.

East Central continues to grow and expand; each year has brought changes. This year our expansion has taken us to Philadelphia where the construction of a Vocational-Technical Center is under way. Our hopes are to open this Center in the fall of 1983.

We take great pride in the fact that we have been able to retain a well-qualified faculty and staff enabling us to offer a very outstanding program of instruction. The strong desire of the Board of Trustees to keep student costs as low as possible has permitted a greater service to the students of Leake, Neshoba, Newton, Scott and Winston Counties that comprise East Central's district.

During your visit with us we hope you will take time to visit with faculty members and renew old acquaintances. Drive through the campus, visit the buildings that are new or have been changed since you were last here.

I ask that you sit back, relax and enjoy the games. We welcome your visit and ask that you return every time you have the opportunity.

Sincerely,

Charles V. Wright

For the past thirty years, Mr. and Mrs. Oren Smith of Decatur have supported the ECJC Warriors and Warriorettes -- through good seasons and bad, whether the teams were on the mountain top or in the valley. No weather has been too inclement, no other obligation more pressing. If the teams were playing, the Smiths have been here.

The Smiths have cheered the Warriors when they deserved cheers and cried with them when they lost; but no matter how much they might disagree with a referee's call or a coach's decision, their comments have always been of a positive nature. The Smith's loyalty to and support of our teams offer a goal to which we could all aspire.

In deep appreciation for their long years of support and in anticipation of many more years to come, we proudly dedicate our 1982-83 basketball program to Mr. and Mrs. Oren Smith.

LUCILLE WOOD

Miss Wood is a native of Winston County and a graduate of Louisville High School. She received her AA Degree from East Central Junior College, B.S. Degree and M.A. Degree from the University of Southern Mississippi with a major in Health, Physical Education, and Recreation. She has also achieved sixty hours beyond Masters from Mississippi State and University of Southern Mississippi.

Before coming to East Central, Miss Wood coached tennis and basketball at Copiah-Lincoln Junior College. When intercollegiate junior college basketball was discontinued, between 1955 and 1974, Miss Wood taught Health and Physical Education at East Central along with coaching tennis, volleyball, and directing girls intramurals. She also found time to organize a club basketball team for girls, which won state championships in 1970 and 1973. The 1973 team played in region III tournament at West Georgia College. It was during this time Miss Wood worked hard for young women to be able to enjoy the advantages of sports participation on the secondary and college levels. Through the efforts of her and others who shared the same ideals of equality, womens sports have become a reality.

Girls basketball was officially reinstated in Mississippi Junior Colleges in 1974, and since that time her teams have won three division championships in 1976, 1979 and 1980. The 1976 team and 1979 team were state champions. She has also taken East Central teams to regional tournaments in 1977, 1978, 1979, and 1980. The 1979 team reached the semi-finals.

Miss Wood has been and still is active in many organizations. She has served as President of the Mississippi Junior College Women Coaches' Association, the ECJC Alumni Association, and was chosen East Central's Alumnus of the Year in 1965. She is an active member of Delta Kappa Gama, Mississippi Junior College Faculty Association, Mississippi Association of Education, and University of Southern Mississippi and ECJC Alumni Association.

In 1978 she served as a coach for the first Junior College All Star Team and was voted one of the top twenty junior college coaches in the nation. In 1979 she was voted the Mississippi Association of Coaches Junior College Women's Coach of the Year. In 1981 she was one of the All-Star coaches.

Miss Wood serves on the Selection Committee for the Fourth Annual Stayfree National Coach of the Year committee and a member of the Basketball Committee for Region XXIII. She is listed in the 1980 Marquis Publications Who's Who in the South and Southwest.

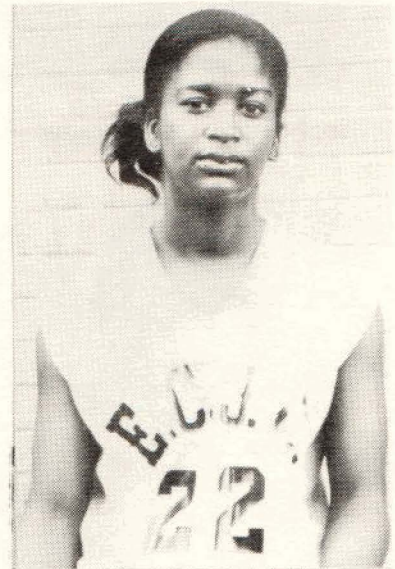

Since 1970, Miss Wood's teams have achieved a 159-88 record against other Junior College teams and her girls, after graduating from East Central, have been signed by a number of Senior colleges.

Miss Wood has been at East Central for twenty-six years. Her time and energies are equally devoted to classroom teaching and coaching. The sophomore ball players of 1982 presented Miss Wood with a plaque with the following inscription that describes her: "Lucille Wood combines athletes and academics to build well rounded individuals."

Men's Coach
STEVE RIVES

Men's Game 8:00

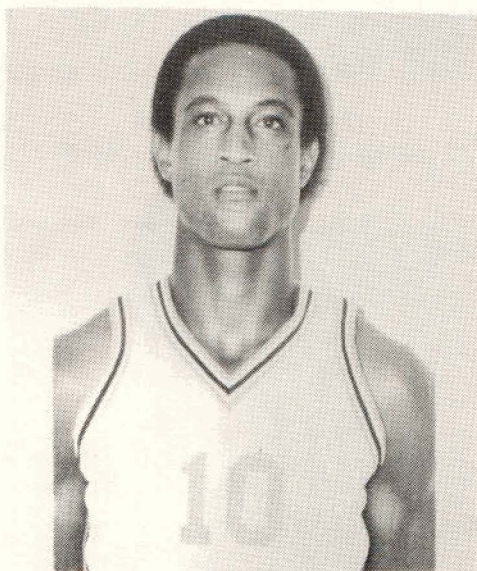

STEVE RIVES

Coach Rives is a graduate of Wingfield High School in Jackson. At Hinds Junior College, he played basketball and served as president of the B S U. He holds both the Bachelor's and Master's Degrees from Mississippi College where he was the leading basketball scorer and was named outstanding college athlete.

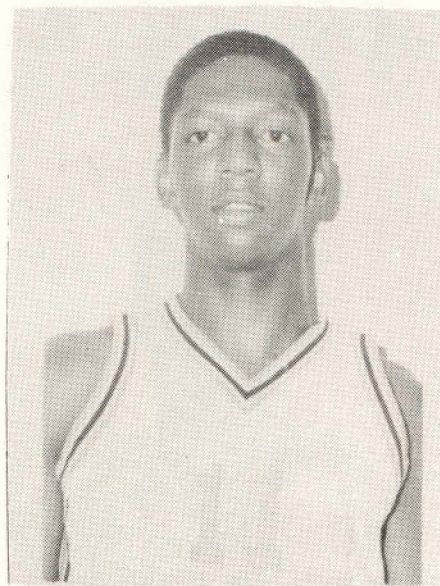

Before coming to East Central this year, Coach Rives was head basketball coach at Jackson Prep for eight years. Prior to that he coached at McCluer and Hanging Moss in Jackson. His overall win-loss record as basketball coach stands at 302 - 34.

In addition to having won almost 90 percent of all games coached over a ten year period, Coach Rives has been recognized as coach of the year six times, has won eight South AAA Academy Championships, five State Championships in the same classification, and four overall academy championships including three in succession. He was honored in 1981 by the Babe McCarthy Tipoff Club of Mississippi State University as the Mississippi High School Coach of the Year.

Student Activities

Mississippi Junior College Association

The Mississippi Junior College Association is composed of the chief Executive Officer of the sixteen public junior college districts. It operates under a Constitution and Bylaws, which outlines its purpose, authority, and duties.

The Association regulates the following student athletic activities:

Basketball (men & women)	Tennis (men & women)
Baseball	Track
Football	Recreational Activities
Golf	(Tournaments)
Softball (women)	

In addition, the Association recognizes and supports the Junior College All Star Classic, a post season football game and the Junior College All Star Basketball Games for men and women.

Non-Athletic Activities are:

All-State Band	Press Association
Choral Festival	Student Council
Creative Writing	Association

Scholarships are awarded to students who participate in band, basketball, and football. The Association regulates basketball and football scholarships.
